The Old Barn Cafe is a 2 minutes 'walk from the Vyrnwy Dam and provide a cycle hire facility.

One of the best ways to enjoy the beautiful scenery of Lake Vyrnwy is to cycle around it.

The ride around the lake is very flat, which makes it suitable for all fitness abilities and all ages. It is believed to be a 12 miles ride.

It would take you between 1 hour to 2 hours to complete the ride, there are as well a few possible sightseeing spots or stops along the route (the waterfall, bird hides, picnic areas, etc).

Our rates are available on our website: www.oldbarncafe.com/cyclehire.aspx

We do recommend booking the bikes with us as they are not always available .
