Situated in the Courtyard opposite the Sculpture Park, a two minutes' walk from the Vyrnwy Dam, The Old Barn Cafe provide a friendly, warm welcome, combined with a wide variety of home-cooked meals, cakes, afternoon teas, puddings and preserves. Our produces are locally sourced, sometimes even from our own garden !

As you relax on the terrace, sampling our lovely home cooked food, you can also browse from afar into our neighbour's various shops, do a little bird watching or just simply enjoy the splendid view of the Vyrnwy Dam, as well as the peace and quiet of the Welsh countryside.

You could even use our *cycle hire* facility for a lovely ride around the lake.
