

MIRAGE GLASS

Nestled in a curve of the River Tanat, the Mirage Glass workshop at Llangedwyn Mill is only a stone's throw from Lake Vyrnwy. We have been working in stained glass since 1978, designing and making windows, panels, lamps, glass jewellery and more. Our work has ended up all over the world! We are open all year round, Tuesday to Saturday, 10am till 4pm, other times by appointment. For more information check our website; www.mirageglass.co.uk or call us on 01691 780 618. Visitors are always welcome!
